SOFTWARE DISCLOSURE OR COPYRIGHT MATERIALS FORM

DIRECTIONS

1. Fill out the Software Disclosure Form completely, providing as much helpful information as possible. Please do not include any confidential information under Part 3, the Software Summary.

2. Email the completed form to kannan.grant@uah.edu and mail a copy, with all necessary signatures, via campus mail to the Director, UAHuntsville Office of Technology Commercialization, VBRH E39.

3. The Office of Technology Commercialization will perform a preliminary evaluation of the software and will contact the lead developer to set up an interview with the developer(s) to discuss the software in greater detail and to get a demonstration.

4. The software will then be marketed to commercial entities for development and distribution.

Becky England, Research Program Coordinator  
becky.england@uah.edu  • (256) 824-6712

Thank you in advance for your cooperation and effort.
Part 1: Software Information

Software name or title of work:

In what field(s) will the software be used?

On what date was the project begun?

On what date was the project completed (or expected completion date)?

What programming language is used?

What platform is used?

What are the hardware and operating system requirements for the software?

Level of testing:
Has the software been reduced to practice?

Does a manual or any on-line help exist?

Is tech support available?

What plans exist for future development of the software?

Can it be used with other software?
Support
A. List all university facilities and materials used in the development of the work(s).

UAHuntsville Org Number: 

Project Title: 

Research Period—Beginning Date: 

End Date: 

What was the percentage of contribution to the work through this contract/grant?

C. Is the disclosure of this invention regulated by any U.S. export laws and regulations pertaining to the export of technical data, services, and commodities [i.e. International Traffic in Arms Regulations (ITAR) or Export Administration Regulations (ERA)]?

Yes 

No 

Marketing Information

1. Is this work/software based upon material or code developed by an outside party?

Yes ________  No ________

If yes, has the author or copyright owner of this material given authorization to create derivative works?

If yes, name the work, including information on copyright owner, licenses, etc.

2. What are the commercial uses for the disclosed work?

3. Please list any parties currently interested in licensing the material.

4. Are you willing to assist potential licensees with use and future developments?

Competitors:
What is the anticipated distribution method?

Please include below any additional information that would be of help to the Office of Technology Commercialization:
Part 2: Developer Information/Certification

By signing below, each developer certifies that he or she is a developer and agrees to the royalty split, of free will, made without coercion of any kind. Any income received as a result of licensing will be distributed according to the UAHuntsville policy and then will be divided among the developers as indicated below. If the royalty distribution is NOT completed, it will be assumed that all developers consent to an equal royalty distribution. **You must notify the UAHuntsville OTC of any change of address.** If you cannot be contacted, any patent applications may be abandoned and you will not receive any royalties. **Please indicate with an asterisk the developer who will serve as the principal contact with the UAHuntsville OTC.** All correspondence with, and questions for, the authors will be addressed to the principal contact.

Part 3: Software Summary
Please provide a comprehensive non-confidential summary of the software, particularly pointing out program characteristics such as: software use and utility, functionality, unique features, advantages over existing software, or anything else that identifies the strengths of the software. This summary will serve as the basis of our marketing documents for the software and will be downloadable from the website.
